Dear Ms. Guidry,

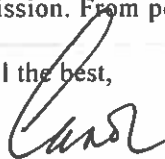

Because YOU have generously supported Center for Transforming Lives, we can break the cycle of poverty for women and their children. Thank you for your thoughtful gift of \$10,000.00 in support of CTL's Housing Services and Economic Mobility Services received on June 16, 2022. Your investment in our mission will benefit so many families in Tarrant County.

CTL offers three programs through Housing Services to provide women and their children safe housing and comprehensive support so they can establish emotional and financial stability. Programs include rapid rehousing, transitional housing, and on-site emergency women's shelter. The primary goal is to support women and children to develop cycles of emotional and financial well-being through the provision of high-quality integrated services within the framework of a trauma-informed, two-generation approach which includes intensive case management, housing search and placement, rental assistance, trauma informed strengths and needs assessment, and service planning.

CTL's economic mobility services works to disrupt the cycle of poverty by engaging women in asset-building services so they can create long-term financial independence and stability for themselves and their families. The program equips participant to increase income, savings and credit score, decrease debt, and operate a positive budget. Economic Mobility Centers are designed for female entrepreneurs to have comprehensive, integrated access to education, coaching, small business development resources, capital, and community so that women can create long-term financial independence and stability.

Thank you for investing in the women and children we serve and in turn, transforming their lives. We cannot do it without your support. I look forward to what we can continue to accomplish toward our mission. From poverty to prosperity. Together.

All the best,

Carol Klocek
Chief Executive Officer
