Dear Heather,

Thank you for supporting Junior Achievement and the students we serve in Tarrant County.

We appreciate your contribution to Junior Achievement of the Chisholm Trail in the amount of \$4,000.00, which helps young people in our community develop the competence and character needed to succeed in today's global economy.

Teaching young people how to be smart with money, be best prepared for pursuits after high school and develop an entrepreneurial mindset are what we do best.

We spoke to a principal recently who keeps in touch with one of our JA Fort Worth alum and discovered that this young man is in college, owns multiple businesses AND already has significant net worth at his young age. A JA success story if I ever heard one!

Thank you again for helping us ensure that tomorrow holds hope and promise for the young people in our community who are preparing to be our next generation of leaders.

With sincere appreciation and best wishes for the new year!
