Dear Mrs. Cranz,

Thank you so much for your investment in the mission of Center for Transforming Lives to serve the women and children experiencing homelessness in Tarrant County! Your generous gift of \$35,000.00 on February 29, 2024 will help make the new Riverside campus a reality.

With a 116-year history of serving families in our community, CTL knows that poverty is daunting, but escapable. Every aspect of the Riverside Campus is being designed with trauma-informed principles to provide the best possible support to the families we serve. The new campus will provide a single location where women can enroll their children in early childhood education programs, receive assistance finding housing, visit with a therapist, and receive financial education. Even the architecture is designed to create a sense of peacefulness with features like the meditation garden, which will bring nature and light into the building.

Once again, thank you. Your gift provides hope to those experiencing poverty in Tarrant County. The Riverside Campus represents far more than just a physical change in the community. With support from partners like you, we are actively changing the landscape for women and children. From poverty to prosperity. Together.

With gratitude,

Carol Klocek  
Chief Executive Officer
