Dear Stephanie,

Thank you for the \$10,000 grant on behalf of Colonial Savings Foundations to Austin Habitat for Humanity. Your contribution is an investment in **framing the future** of a family, which creates financial stability, provides educational opportunities, and improves health outcomes.

Safe and affordable housing is the foundation for successful families and individuals. This donation is critical in our efforts to open the door of opportunity by making homeownership attainable for Central Texans.

Since partnering with Austin Habitat, Benita has achieved a B.A. and Master's Degree in education. Her children have more opportunities because of the strong foundation and community they had growing up in a stable, affordable home.

***"The best things to come from my Habitat home were stability and choice.
Thank you for believing in me and guiding me to this new path in my life."***

-Benita, Austin Habitat Homeowner

With your support, we will partner with more community members to equip them with the knowledge and tools to be successful, long-term homeowners.

We appreciate your generosity. If you have any questions about this gift feel free to contact me at 512-472-8788 x 125.

Sincerely,

A handwritten signature in black ink that reads "Andrew Donilon".
