Dear Ms. Cranz,

Thank you for your support and loyalty to the Center for Transforming Lives. Your recent donation of granola bars is crucial in disrupting the cycle of poverty for women and children in our community. This gift to support our work is so meaningful during this time of extra strain for families in our community. Your trust in our important work is heartening. Thank you.

While, in accordance with IRS regulations, we cannot declare a dollar value for your in-kind contribution for tax deduction purposes, we can say that, without your support, we would have likely had to spend Center for Transforming Lives funds for what you gave as a gift. Those dollars saved are directly applied back into Center for Transforming Lives programs for the well-being of those whom we serve.

Your gift helps CTL work side-by-side with women and their children to disrupt the cycle of poverty by providing comprehensive homeless services, early childhood education, and economic mobility services. This three-faceted approach provides a secure place for hundreds of women, children and families to live, offers an enriching educational environment for young children, and offers one-on-one financial coaching to empower families to become fully self-sufficient. You are transforming lives!

Thank you again for investing in the women and children served by the Center for Transforming Lives.

I hope you are staying healthy and safe.

With Gratitude,

Christa Streebin
