Dear Ms Guidry:

On behalf of The Ladder Alliance, we wish to thank the Colonial Savings Foundation for the very generous \$1,000 donation to provide vital operational support for computer training and workforce development for our clients. We are so honored for your support and that you value the importance of our programs for women victims of domestic violence and low-income women in Tarrant County.

We are very fortunate to count you as a friend. Together we are making a difference to empower women through economic security. When it is possible, I would love to meet with you in person or chat on the phone to update you on what The Ladder Alliance is doing, especially during COVID-19. Again, thank you, and the Board of Directors at the Colonial Savings Foundation, for your generosity to The Ladder Alliance.

Sincerely,

Bliss Coulter
Chief Executive Officer
