Dear Heather,

Thank you for your February, 2021 cash donation of \$2,500.00 to the Foundation for the Young Women's Leadership Academy of Fort Worth.

Your generous gift helps us support YWLA, a single-gender, college preparatory public school that encourages critical thinking and nurtures intellectual and social development based on three core values: college readiness, responsible leadership, and wellness life skills. YWLA, in the Fort Worth Independent School District and a member of the statewide Young Women's Preparatory Network, is committed to serving young women who have the greatest need for opportunities to achieve success.

Your donation is an investment in the future of the education of young women.

Sincerely,

Courtney Kimberling Radcliffe
Executive Director
