Dear Jim,

I am extremely grateful for the Colonial Savings Foundation's continuing support for our housing counseling programs with this grant of \$30,000. For over 32 years, HOFW has helped low-to moderate-income families access and maintain affordable homeownership, and, through most of those years with Colonial as a loyal community partner.

Jim, your friendship and support have contributed greatly to our success. As always, we are honored to be among those organizations you support.

Sincerely,

David O'Brien, Jr.
