Dear Heather,

Thank you for supporting Junior Achievement and the students we serve in Tarrant County.

We appreciate your contribution to Junior Achievement of the Chisholm Trail in the amount of \$4,000 (ck #1137), which helps young people in our community develop the competence and character needed to succeed in today's global economy.

Teaching young people how to be smart with money, be best prepared for pursuits after high school and develop an entrepreneurial mindset are what we do best. Though this school year presented challenges not seen in our lifetime, your support made it possible for us to continue serving students in our community through virtual program delivery with virtual volunteers.

On April 22, we launched our **first-ever JA Inspire Virtual learning experience** with almost 3,000 students participating so far. JA Inspire Virtual is a college and career fair for middle and high school students who interacted virtually with exhibitors, including moderated Q&A with employers. They also accessed many information-packed webinars and downloaded career information and videos that will help guide their career choices.

Thank you again for helping us ensure that tomorrow holds hope and promise for the young people in our community who are our next generation of leaders.

With sincere appreciation,

A handwritten signature in black ink that reads "Cindy Hames".

Cindy Hames  
President
