Dear Heather,

We sincerely appreciate your generous grant award in the amount of \$8,000.00 in support of our capacity building and planning needs. !

For our most vulnerable neighbors suffering from physical and mental illness, addiction or homelessness, housing is critical to their safety, security and self-sufficiency. Housing is the foundation from which they can begin life improvements.

With your help, we provide affordable and supportive housing that increases safety, security and self-sufficiency for more than 800 vulnerable men, women and children each year. From the medically fragile to the working poor, housing is the most stabilizing intervention our community can offer.

Again, we are deeply grateful for your concern for those we serve and your trust in us to help them. If you or any member of the Colonial Savings team are ever interested in seeing your donation in action, please do not hesitate to contact me for a tour!

Sincerely,

*Kim Robinson*
