Dear Heather:

Thank you for the Colonial Savings Foundation's recent gift to The Women's Center for our Employment Solutions programs. Your generous support in recognition of our *Victory Over Violence – Hope Starts Here* campaign will enable program participants to improve skills, increase confidence, become employed, advance in the workplace, and build better lives for themselves and their families.

Your investment in programs that have such a valuable impact on those we serve represents an important commitment to the well being of individuals, families and the future of this community.

On behalf of the many women, men and children whose lives your gift will help to change, we appreciate your partnership in our work.

Sincerely,

Chrisee Huffman  
Development Director
