Dear Caroline,

As we approach the conclusion of this academic year, I am thrilled to share that we are on track to impact over **35,000 students**. Each of these students carries within them the seeds of possibility, and your contribution nurtures their growth.

Junior Achievement empowers students with practical knowledge about money management, ignites the spark of entrepreneurship, opens doors to various career paths, and guides them in making informed academic and economic choices.

We appreciate your contribution to Junior Achievement of the Chisholm Trail in the amount of \$3,200.00, which **ignites the spark in young people** to experience and realize the opportunities and realities of work and life in the 21st century.

Once again, thank you for your unwavering commitment to our mission. We look forward to continuing this journey of boundless possibility with you by our side.

Sincerely,
