Dear Ms. Cranz,

We sincerely appreciate Colonial Savings Foundation's generous donation award in the amount of \$10,000, on 12/1/2025 in support of clients' needs.

For our most vulnerable neighbors suffering from physical, mental illness, or addiction, Housing is critical to their safety and self-sufficiency. Housing is the foundation from which they can begin life improvements.

With your help, we provide affordable and supportive housing that reduces the tragic cycle of homelessness and poor health for more than 400 vulnerable men, women, and children each year. From the medically fragile to the working poor, housing is the most stabilizing intervention our community can offer.

We are deeply grateful for your concern for those we serve and your trust in us to help them.

With gratitude,

*Kim Robinson*

*Many thanks for the  
Foundation's generosity!*
