Dear Mrs. Cranz,

Thank you for your generous Red Admiral sponsorship of \$5,000.00 received on March 17, 2026 in support of this year's Transforming Lives Luncheon.

Red Admirals are known for their vivid coloring, passion, and tendency to return to their home base. Just like those butterflies, Colonial Savings Foundation represents loyalty and steadiness. We are so grateful for your partnership in our mission as we work with single mothers and their children to help them thrive.

Approximately 546,000 children called Tarrant County home. Heartbreakingly, more than 14% of them—nearly 78,000—were growing up in households below the poverty line. The impact of poverty on a child's ability to learn, grow, and thrive can be profound, often reinforcing a cycle that spans generations.

At the Center for Transforming Lives, we walk alongside more than 3,000 women and children each year, working to break that generational cycle. Through comprehensive housing services, high-quality early childhood education, economic mobility programs, and clinical counseling, we help families find their footing and build a future rooted in stability and hope.

Your generosity is the heartbeat of this mission From poverty to prosperity—together, we are making a difference.

With Gratitude,
