Dear Mrs. Cranz,

Thank you for your support of the women and children served by Center for Transforming Lives and for championing the generous gift of \$20,000.00 on March 17, 2026, from Colonial Savings Foundation.

Approximately 546,000 children called Tarrant County home. Heartbreakingly, more than 14% of them—nearly 78,000—were growing up in households below the poverty line. The impact of poverty on a child's ability to learn, grow, and thrive can be profound, often reinforcing a cycle that spans generations. There is still so much work to be done.

At the Center for Transforming Lives, we walk alongside more than 3,000 women and children each year, working to break that generational cycle. Through comprehensive housing services, high-quality early childhood education, economic mobility programs, and clinical counseling, we help families find their footing and build a future rooted in stability and hope.

Your generosity is the heartbeat of this mission. Every gift brings hope to families facing poverty and fuels our ability to transform lives across Tarrant County. From poverty to prosperity—together, we are making a difference.

With Gratitude,

Corrie A. Harris, MA, MBA  
Chief Development Officer
