Dear Ms. Brandy Stolz, CRCM,

Thank you for your support of the women and children served by Center for Transforming Lives! Your generous gift of \$10,000.00 on June 15, 2026, supports the Workforce Development Institute Pilot computers and technology needs of our participants.

The Workforce Development Institute is being designed to expand economic opportunity for women and families through workforce training, entrepreneurship support, financial coaching, and employer-connected career pathways. The pilot that is underway is informing that design. We are thrilled that you are standing with us as we embark on what is sure to make history in Tarrant County.

Childcare and transportation are cited as the two greatest barriers to self-improvement for single mothers with children five and younger. Add in the lack of affordable Wi-Fi and a reliable computer spells obstacle in today's learning environment. With your generous donation, our participants are able to change their trajectory. The current courses underway evidence of the desire for bettering themselves and the current demand in the market affirms their resolve.

This pilot feeds into our economic mobility services that are not offered in isolation. They are deeply integrated with Transforming Lives wrap around services that include housing, clinical counseling, mobile health, and early childhood education programs to ensure a comprehensive, two-generation approach to breaking the cycle of poverty. We believe that education is a powerful tool for transformation—and thanks to your generosity, our team can continue walking alongside women as they gain the skills, knowledge, and confidence to create a stronger future for themselves and their children.

Every gift brings hope, stability, and opportunity to families across Tarrant County. From poverty to prosperity—together, we are transforming lives.

With Gratitude,

Carol Klocek
Chief Executive Officer
